

*Let's make electronics safer!*

**WAYON**

Let's **Make**  
**electronics** *Safer!*

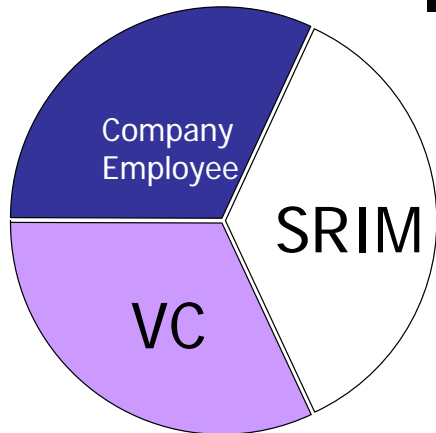

# History

- **1992--Wayon PPTC products entered into the switching market for telecommunication circuit protection.**
- **1996--Wayon Company formally registered.**
- **1999-- Venture Company was introduced.**
- **2000-- Wayon was changed into a joint stock company.**
- **2003-- Wayon buys PowerTech Microelectronics in USA.**

# Company Profile

- **Major products:**  
Thyristor、 Polymer & ceramic PTC、 PCM and other protection components

- **More than 1200 employees in Shanghai, China.**

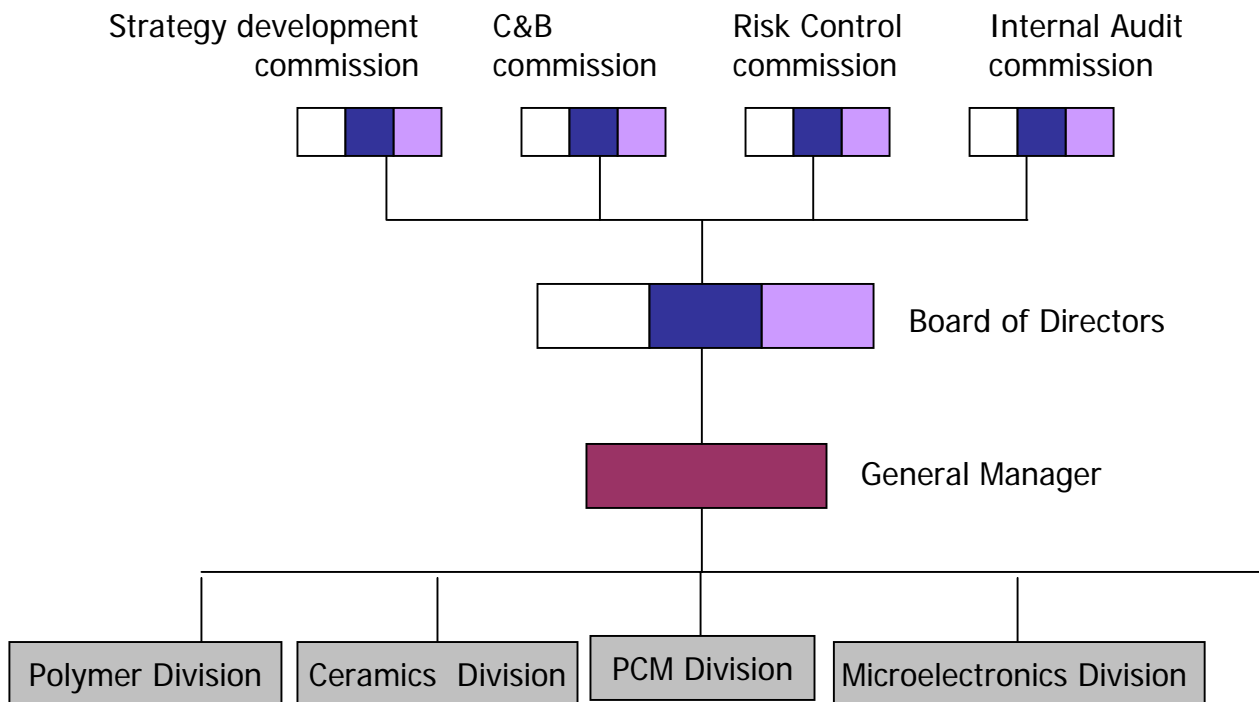

- **2 share control or share hold subsidiary companies.**

Capitalization composition

# Factory Location

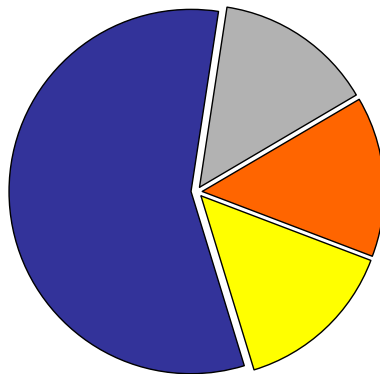

# Corporation Governance

# Team

- Act like owners
- Technically talented
- More interested in future opportunities

R&D Team

- professor
- doctor
- master
- bachelor

# Quality System Approvals

- **ISO9001 (2000) Quality Certification**
- **QS9000 Quality Certification**

# Quality Programming

- **1998 ISO9002 Quality System**
- **2001 QS9000 Quality System**
- **2002 ISO9001(2000) Quality System**
- **2004 TS16949 Quality System**
- **2005 6**

# Product certification

## Safety Approvals

- **UL \ TUV \ CSA**

# Green Product Program

- human in manufacture & design
- harmless in production
- lead-free in jointing
- Innoxious in packaging

**ISO14001 Environment  
Management Certification**

# Societal Authentication

- **character first**
- **respect employee**
- **take care environment**

**2005--SA8000 is planning**

# Target Markets

- **Telecom**
- **Power supply**
- **Automobile electronics**
- **Home appliance & IT equipments**

# Manufacturing Capabilities

- **Polymer PTC** **80M/month**
- **Ceramic PTC** **15M/month**
- **PCM** **3M/month**

## Manufacturing Capabilities (Thyristor)

– *SMB*

• *Capacity : 10M/M*

– *SIP-3*

• *Capacity : 5M/M.*

– *SO-8*

• *Capacity : 5M/M.*

– *TO-92*

• *Capacity : 10M/M.*

– *TO-263*

• *Capacity : 5M/M.*

– *SO-10*

• *Capacity : 3M/M.*

# Competition Advantages

- **Focusing on technical innovation**
- **Total solution for circuit protection**
- **An exclusive intellectual property system**
- **Competitive price and better service**

## Our Mission

- To be a leading total solution provider for circuit protections in Asia.
- Wayon is technology innovator in its fields of focus.

## Our promises

- **T — Technology**
- **M — Manufacture**
- **S — Service**
- **Q — Quality**
- **C — Cost**
- **D — delivery**

*Thanks !*
