

## Changzhou Wujin Hongfu Electronic Appliance Co., Ltd.

DATE: Jan. 11th, 2014

Item No.	Picture	Description
H (1)		F81 connector without washer and nuts; Gold plated (general quality)
		F81 connector with washer and nuts; Gold plated (general quality)
H (2)		F81 connector without washer and nuts; (General quality)
		F81 connector without washer and nuts; (Good quality)
		F81 connector with washer and nuts; (Good quality)
H (3)		22MM F connector with waterproof ring (good quality)
H (4)		22MM F connector (general quality)
H (5)		20MM F connector (general quality)
H (6)		18MM F connector (general quality)
H (7)		22MM with waterproof ring
H (8)		22MM with waterproof ring; plated black nickel
H (9)		RG6 F Connectors 18 mm; Good quality

H (10)		RG59 F Connectors 18 mm; Good quality
H (11)		20MM F connector (Good quality)
H (12)		18MM F connector (Good quality)
H (13)		22MM with one line and waterproof ring
H (14)		20MM F connector for RG7 (general quality)
H (15)		22MM F connector with waterproof ring
H (16)		22MM F connector with waterproof ring (good quality)
		22MM F connector with waterproof ring (good quality); black nickel plated
H (17)		22MM F connector for RG6/ 7 (good quality); Nickel plated
H (18)		22MM F connector for RG11 (good quality); Nickel plated
H (19)		BNC male clamp RG174
H (20)		PAL female to F female (good quality)
H (21)		PAL male to F female (general quality)
H (22)		PAL male to F female (good quality)

H (23)		BNC F male connector
H (24)		F male to F male
H (25)		F male to PAL male
H (26)		F male to PAL female
H (27)		F quick to F female right angle
H (28)		F quick to F female
H (29)		2 F female to F male
H (30)		F three female
H (31)		4 F FEMALES NICKEL-PLATED
H (32)		PAL female to F female
H (33)		F four female

H (34)		BNC three female
H (35)		PAL male to F femal (right angle)
H (36)		BNC connector
H (37)		Double BNC male
H (38)		BNC male clamp
H (39)		BNC male to F female
H (40)		BNC male to RCA female
H (41)		BNC male twist on
H (42)		BNC male with spring
H (43)		BNC male with spring
H (44)		BNC male solderless

H (45)		BNC male to double BNC female
H (46)		BNC female to RCA male
